**Subject:** FW: Data Team Assistance needed for Animas River response

Kathie,

I hope you are doing well? From this email trail, can I get you to add OSC Dan Burgo on a spreadsheet and have your DRA sign and date it certifying that he will be participating in the R8 Emergency Response to the Gold King Mine Incident? Please pdf that to me asap and I will add it to our Pay Capp Lift for the event along with R6 and R9.

Thanks

Mike

Hi Laura and Martin,

Based on your request during our recent phone conversation Region 1 will deploy Data Team member OSC Dan Burgo tomorrow, Thursday, August 13 to Durango, CO in Region 8. Specifically, Dan is being deployed to aid in the data management efforts for the Gold King Mine Release. At this time you are requesting Dan's assistance from August 13-23.

As we discussed your Resource Team Unit Leader will contact the Region 1 Emergency Planning and Response Branch Administrative Assistant Jennifer Saccone at (617) 918-1350 or [saccone.jennifer@epa.gov](mailto:saccone.jennifer@epa.gov) to provide specific accounting information for his TA.

Dan's Section Chief is Ted Bzenas, Chief Emergency Response and Removal I and can be reached at (617) 918-1230 or [bzenas.ted@epa.gov](mailto:bzenas.ted@epa.gov)

Please confirm that this information is correct and please let me know if you need any additional assistance from Region 1.

Good luck in your ongoing response.

Regards,

Carol
